INFORMATION ABOUT THE VOYAGE

The R. Tucker Thompson Te Tai Tokerau Tall Ship Challenge, sponsored by [Northpower](#) and [Top Energy](#), is a competition voyage to find out which school team can demonstrate they have what it takes in terms of leadership, initiative and of course teamwork.

Teamwork will play an important part for the selection of the winning school, and the winning team will also demonstrate that they can work not just with the partner from their own school, but also members from other schools to complete

their tasks. There will be a combination of physical challenges and mental challenges as well as a lot of fun.

Challenges set during the 7-day voyage will be based on a range of activities such as sailing, physical activity, standard of daily drills and duties, swimming as well as positive interactions between others. They will also need to demonstrate that they understand *Safety at Sea* and how they can work together to ensure they complete the challenges in a safe and responsible way.

The Tai Tokerau Tall Ship Challenge is only held once a year and is open to all schools with secondary aged students. School places are allocated as follows:

- Whangarei District / Kaipara districts (3 places)
- Far North District (2 places)
- Any Northland school (1 place)

A trophy will be presented at the end of the voyage to the winning team.
